## **1 Computer game apprentices must love Japanese Culture**

Thus spoke Director Kojima in Frankfurt at the occasion of the 25th anniversary of the Metal Gear game series. Without such an attitude, the student who would come to Tokyo would be unlikely to have the needed perseverance.

Hartmut Pilch interpreted for Director Kojima and his artistic partner Shinkawa Yōji at a public speech meeting in the Frankfurt Computer Game Academy and at meetings with colleagues from German companies and journalists of big media.
